

Fixed Wireless Phones are a great alternative to traditional fixed or landlines.

Ideal for many applications including:

Home phones

Small businesses

Pop-up businesses
(craft markets, restaurants)

Site offices / remote offices

Emergency / replacement phones
(in the event of cable theft)

Sponsored employee home phones

Gatehouses and security posts

Farms

Optional Value Added Services

CLOSED USER GROUP (CUG)

Our revolutionary CUG service (Closed User Group) keeps firm control of your phone expenses, by giving you **free calls between your CUG-enabled Huge Connect devices**, for a low fixed monthly fee per device.

SMS NOTIFICATION SERVICE (SSNS)

Our SSNS service will **send you SMS notifications when your spend reaches certain predefined, user-set monthly levels**, giving you peace of mind that your expenses are not out of control.
